

Dr. Harmeet Kaur

Associate Professor

Department of Computer Science, Hansraj College, University of Delhi, Delhi – 110007, India

hkaur@hrc.du.ac.in

Educational Qualification

PhD in Computer Science Department of Computer Science, University of Delhi, June 2007

Thesis Title: Trust Based Decentralized Recommender Systems

Master of Computer Applications (MCA), Panjab University, Chandigarh, 1997

B.Sc.(G) 'A' with Computer Science, Hans Raj College, University of Delhi, 1994

Work Experience

Hans Raj College	Associate Professor, since July 2010 Assistant Professor, from September 1999 to June 2010
Kirori Mal College	Assistant Professor, from September 1998 to September 1999
Ram Lal Anand College	Assistant Professor (on temporary basis), from January 1998 to July 1998

Visiting Faculty

At Department of Operational Research, University of Delhi from July 2018 to December 2018

At Department of Computer Science, University of Delhi from July 2007 to December 2011, June 2017 – June 2022

Research Area

Artificial Intelligence, Recommender Systems, Natural Language Processing, Crowdsourcing

Patent

Received patent along with Dr. Mansi Sood on 18th March 2026. Patent no. 583741. Title: "System and Method for Incremental Updates of Domain-Specific Vocabulary Using Incremental Learning".

Papers Taught at Undergraduate Level (Last three years)

Programming Fundamentals, Data Structures, Operating Systems, Database Management Systems, Computer System Architecture, Data Analysis and Visualization, Data Mining

Papers Taught at Postgraduate Level

MCA/M.Sc. (Computer Science)/ M.Sc. (Operational Research)

Programming Fundamentals, Operating Systems, Database Management Systems, Computer System Architecture

Collaborative Teaching in the Department of Computer Science, University of Delhi

Ph.D. Programme

1. Part of Research Methodology Course work paper
2. Machine Learning: Course work paper

Research Project

One of the Project Investigators of the innovation project HRC 307 (titled: DUA - Device for Uniquely Abled) for which the University of Delhi sanctioned a grant of Rs. 7.5 lakhs. The two other Project Investigators were Dr. Baljeet Kaur (Department of Computer Science) and Mr. Dibyajyoti Das (Department of Physics). There were 10 student members: 8 students of the Department of Computer Science and one student each of Department of Hindi and History. Duration: October 2015 - September 2016.

Some of the innovation projects were selected by the Research Council, University of Delhi, for display during the Convocation Ceremony of the University of Delhi on 19th November 2016 and DUA was one of them. It was also awarded the Best Poster Award in the same.

An article highlighting the project has been published by Electronics for You, a magazine with leading publications in the field of electronics and technology across the globe, titled "DUA: A Wish for Your Safety" in the July 15, 2016 issue. It is also available at the link <http://electronicsforu.com/india-corner/innovations-innovators/dua-wish-safety> .
