1. Dr. Bhavana Sharma Jha - 9999496374

## Description

The Department of Botany (BOTANIQUE) and the Institution's Innovation Council, Hansraj College, in collaboration with Shriram Institute for Industrial Research, organized an expert talk on "Waste to Energy in India - Challenges & Opportunities" on 18 Feb, 2025, in New Seminar Room, HRC. The talk was delivered by Dr. Jagdish Kumar, Senior Scientist, Environment Protection Division, SRI. This event was a significant milestone under the MoU signed between Shriram Institute and Hansraj College on 20<sup>th</sup> Jan, 2025, aimed at fostering research and knowledge exchange on sustainable technologies. It marked the beginning of collaborative research and awareness initiatives in the field of sustainability and waste management. The event commenced with a lamp-lighting ceremony, symbolizing the pursuit of knowledge and sustainability. Dr. Bhavana Sharma Jha, Program Convener and IIC Member, welcomed the distinguished speaker and attendees while introducing the theme of the session. Following the introduction, Dr. Vivek Narayan Singh, Deputy Director, Environmental Protection Division, SRI delivered the encouraging remarks, and highlighted the need for innovation, policy support, and active participation from institutions like Hansraj College in tackling environmental challenges. Dr. Jagdish Kumar provided an in-depth analysis of waste-to-energy solutions, focusing on challenges, opportunities, and sustainable strategies for India's waste management sector. His talk covered strategies to achieve Sustainable Development Goals (SDGs) through Waste-to-

Energy, solutions which align with various SDGs like SDG 7 (Affordable and Clean Energy), SDG 11 (Sustainable Cities and Communities), and SDG 12 (Responsible Consumption and Production). Dr. Ridhi Khurana, Co-Convenor of Botanique, delivered the Vote of Thanks, expressing gratitude to Dr. Jagdish Kumar for his enlightening presentation. The expert talk successfully inspired students and faculty to explore innovative solutions for a greener, more sustainable future.
