CONGRATULATIONS!

Congratulations, Dr. Brijesh Rathi, on receiving the CAPES Fellowship Award from the Ministry of Education in Brazil, as well as securing a DST-funded major project on Rare Diseases (>1 Cr) and an ASEAN Countries Research Grant (India-Thailand and Malaysia). These prestigious honors, including the fellowship and two research grants, stand as a testament to your outstanding achievements and the recognition of your potential to contribute significantly to the field. Your passion for knowledge and commitment to advancing education will undoubtedly positively impact the academic community and beyond. Wishing you continued success in all your future endeavors.
