

# DEPARTMENT OF COMPUTER SCIENCE, HANSRAJ COLLEGE

## TENTATIVE DATESHEET FOR PRACTICAL EXAMS NOV-DEC 2026

| Sno | Semester | Courses      | Date     | Paper Name                               | Paper Type |
|-----|----------|--------------|----------|------------------------------------------|------------|
| 1   | Sem I    | B.Sc. (H) CS | 02.12.26 | Object Oriented Programming using Python | DSC-1      |
| 2   | Sem I    | B.Sc. (H) CS | 27.11.26 | Computer System Architecture             | DSC-2      |
| 3   | Sem I    | B.Sc. (H) CS | 25.11.26 | Mathematics for Computing                | DSC-3      |
| 4   | Sem I    | GE           | 30.11.26 | Object Oriented Programming using Python | GE         |
| 5   | Sem I    | B.Sc. (P) PS | 19.11.26 | Programming Using C++                    | DSC        |
| 6   | Sem III  | B.Sc. (H) CS | 03.12.26 | Data Structures                          | DSC-7      |
| 7   | Sem III  | B.Sc. (H) CS | 26.11.26 | Operating Systems                        | DSC-8      |
| 8   | Sem III  | B.Sc. (H) CS | 20.11.26 | Artificial Intelligence                  | DSC-9      |
| 9   | Sem III  | DSE          | 01.12.26 | Data Mining                              | DSE-1      |
| 10  | Sem III  | GE           | 01.12.26 | Database Management Systems              | GE         |
| 11  | Sem III  | B.Sc. (P) PS | 23.11.26 | Design & Analysis of Algorithms          | DSC        |
| 12  | Sem III  | DSE          | 01.12.26 | Object Oriented Programming using Python | DSE        |
| 13  | Sem V    | B.Sc. (H) CS | 16.11.26 | Algorithms and Advanced Data Structures  | DSC-13     |
| 14  | Sem V    | B.Sc. (H) CS | 19.11.26 | Machine Learning                         | DSC-14     |
| 15  | Sem V    | B.Sc. (H) CS | 18.11.26 | Software Engineering                     | DSC-15     |
| 16  | Sem V    | DSE          | 23.11.26 | Data Privacy                             | DSE-3      |
| 17  | Sem V    | GE           | 25.11.26 | Advanced Web Programming                 | GE         |
| 18  | Sem V    | B.Sc. (P) PS | 26.11.26 | Database Management Systems              | DSC        |
| 19  | Sem V    | DSE          | 23.11.26 | Machine Learning                         | DSE        |
| 20  | Sem VII  | DSE          | 20.11.26 | Digital Image Processing                 | DSE        |
| 21  | Sem VII  | DSE          | 26.11.26 | Deep learning                            | DSE        |
| 22  | Sem VII  | DSE          | 30.11.26 | Cyber Forensic                           | DSE        |
| 23  | Sem VII  | B.Sc. (P) PS | 23.11.26 | Design and Analysis of Algorithms        | DSC        |
| 24  | Sem VII  | GE           | 23.11.26 | Machine Learning                         | GE         |
| 25  | Sem VII  | DSE          | 23.11.26 | Machine Learning                         | DSE        |
| 26  | Sem VII  | SBC          | 25.11.26 | Basic IT tools                           | SBC        |

Dr. Vidhi Khanduja  
(TIC- 2026-2027)
