

Greetings from the Women's Development Cell, Hansraj College! 🌸

Sexual health and menstrual hygiene are crucial elements of our holistic approach to health and well-being. 🌸 Taking note of this, we feel immense pleasure to host Ms. Aashrina Jain -- Campaign Lead for HaqSePERIOD and spokesperson for PEE SAFE for a webinar on the topic "Sexual Health Awareness and Menstrual Hygiene".

We feel proud to collaborate with the renowned hygiene and wellness brand PEE SAFE which focuses on providing sustainable hygiene products to both men and women. To reach out to a larger segment of the population the brand also launched its more affordable RAHO SAFE range of products recently.

The details of the session:

Date- 10 July 2021

Time- 4 PM

Venue: Google Meet

To register yourself fill the form given below:
