**Opting of elective courses AEC-language, GE, SEC, and VAC
By Semester – II Students**

NOTICE

Date: 29-01-2025

This is to inform students of Semester-II that the form for selection of optional papers – AEC-language, GE, SEC, and VAC is live. All Semester-II students have been notified of the same on their registered e-mail address as well. Students should discuss with their Mentor and subject teacher before finalizing the selection of optional papers. The last date to select the optional papers is **Thursday, 6th February, 2025**. Students are advised to fill up the form carefully.

Classes of optional papers have been already scheduled since the start of the academic session. Students are advised to start attending their chosen papers as per the Time Table uploaded on the college website.

Please note:

- Students are advised to carefully see the syllabus of the optional papers before submitting the form.
- No option to edit or change the preferences shall be permitted after submission of the form.
- As per UGCF 2022, it is not permissible to select papers having more than 30% overlap in their syllabus between DSC and GE, between DSE and GE, or between GE and GE.
- Students are advised to not opt for any paper that they have studied in the previous semester.
