ON

TECHNOLOGICAL ADVANCEMENTS & ACCOUNTING FOR FUTURE

APRIL 2nd, 2026 (Thursday)

VENUE: Hansraj College, University of Delhi, Mahatma Hansraj Marg,
Delhi – 110007, <https://www.hansrajcollege.ac.in/>

ABOUT HANSRAJ COLLEGE (UNIVERSITY OF DELHI)

Hansraj College (HRC) is one of the largest constituent colleges of the University of Delhi. The College was founded by the DAV College Managing Committee in 1948 in the sacred memories of Maharshi Dayanand Saraswati and Mahatma Hansraj. The College offers diverse undergraduate and postgraduate programmes across science, commerce and humanities, with more than 7500 students. The College has consistently demonstrated outstanding performance in academics, sports, and extracurricular activities. With experienced faculty, modern infrastructure and a strong research culture, HRC fosters innovation and student growth. In the NIRF Rankings 2025, the College secured an impressive 3rd position nationally and was accredited with an NAAC A++ rank, reflecting its focus on quality education and institutional excellence. Today, HRC stands as a top choice for learners seeking academic rigour, leadership and meaningful contribution to society.

ABOUT FACULTY OF COMMERCE & BUSINESS (UNIVERSITY OF DELHI)

The Department of Commerce, University of Delhi, was formally established as a distinct academic entity in 1967, and is housed within the iconic Delhi School of Economics (DSE) campus. It takes pride in being India's premier institution for curriculum development, teaching, and research in the discipline of commerce. At the core of its academic offerings lies the flagship postgraduate programme – Master of Commerce (M.Com). Faculty of Commerce and Business Studies was established in May 1993. In keeping with the dynamic needs of a rapidly changing economy, the Faculty has expanded its academic horizon by offering three specialized MBA programmes, MBA (International Business), MBA (Human Resource Development) and MBA (Business Analytics). Through its academic and research initiatives, the Faculty of Commerce and Business continues to contribute meaningfully to India's knowledge economy, fostering a generation of scholars and professionals to make an impact at both national and global levels.

ABOUT THE CONFERENCE

The accounting profession is undergoing a profound transformation driven by emerging technologies such as artificial intelligence, big data analytics, blockchain, cloud computing, robotic process automation, and advanced enterprise systems. Traditionally focused on historical reporting and compliance, accounting is now shifting toward real-time reporting, predictive analytics, strategic advisory roles, and enhanced transparency. These developments create both opportunities and challenges for professionals, regulators, educators, and organisations.

The conference aims to explore the impact of these technological advancements on accounting practices and to discuss strategies for preparing the profession for the future. It seeks to provide a platform for scholars, educators, practitioners, policymakers, and students to examine how accounting can strategically adapt to remain relevant, ethical, and value-driven in a rapidly evolving global environment.

OBJECTIVES OF THE CONFERENCE

- Provide a platform for scholarly exchange among doctoral students, researchers, and academicians in the fields of Commerce and Management.
- Facilitate knowledge sharing and collaboration among faculty members, researchers, and practitioners to advance theory that combine academic rigour with practical relevance.
- Motivate emerging researchers to engage with evolving technological trends and contribute to the development of future-ready accounting systems and frameworks.

CONFERENCE TRACKS/SESSIONS

- Regulatory and Policy Perspectives
- Technology and Sustainable Accounting
- FinTech and Accounting Convergence
- Artificial Intelligence, Machine Learning & Predictive
- Future of Work in Accounting Analytics
