

WHAT IS SCPLT

- The Skill Certificate Programme in Laboratory Techniques (SCPLT), offered by Hansraj College, University of Delhi, equips participants with the essential knowledge and skills to serve as laboratory technicians in School, College & Science University laboratories. This highly skill-oriented programme, with intensive practical training, enables effective support for science teachers and students.
- Key objectives of the Course include familiarizing learners with basic laboratory facilities and equipment, building skills in laboratory organization and management, and training in instrument maintenance and laboratory safety.

CORE PAPER SPECIFICATIONS

Paper Code	HRC-LT01	HRC-LT02	HRC-LT03	HRC-LT04
Paper Name	Laboratory Management	Physics Lab Techniques	Chemistry Lab Techniques	Biology Lab Techniques

COURSE FEES
9000/-

EVALUATION WEIGHTAGE

SEGMENT	PERCENTAGE	WORKDONE
INTERNAL	20%	Assignments & Files
PRACTICAL	40%	End-Term Practical
THEORY	40%	End-Term Exam

Classes:
Sundays Only

Session:
APR-AUG 2026

HIGHLIGHTS

Study Material:
To be Provided
by Hansraj
College

**Application
Last Date:**
31st March, 2026
before 5 PM

REQUIREMENTS

ELIGIBILITY	MANDATORY ATTENDANCE
10+2 with Science (PCM/PCB) or 10th Pass (with Science as one of the subjects)	75% Theory and 75% Practical
