NAAC ACCREDITED 'A++' GRADE COLLEGE

Mentor Mentee Program 2026-2027

Notice

All First-Year students of Hansraj College are hereby informed that they have been assigned mentors under the Mentor-Mentee Programme of the College. Students are requested to check the details of their assigned mentors on the Hansraj Information Portal by signing in with the login credentials shared with them through their registered email ID. The Mentor-Mentee Programme aims to provide students with academic guidance, personal support, and assistance in addressing various academic and non-academic concerns related to college life. Students are encouraged to remain in regular communication with their assigned mentors and seek their guidance whenever required. Mentors may be approached for guidance and support regarding, but not limited to:

- Academic matters and academic guidance
- Internships and career-related opportunities
- Letters of Recommendation (LORs)
- Scholarships and financial assistance
- Participation in academic and co-curricular activities
- Society activities and other extracurricular engagements
- Personal concerns affecting academic or college life
- Any other issues or concerns requiring guidance and support

All First-Year students are advised to complete and regularly update their profiles on the Hansraj Information Portal, ensuring that all relevant information is accurate and up to date. Students should include details of their participation in college societies and clubs, co-curricular and extracurricular activities, competitions, events, workshops, and other academic or non-academic activities and achievements. Wherever applicable, students should also upload appropriate supporting documents, certificates, or other valid proof of the activities and achievements mentioned in their profiles. During the month of November, students are advised to obtain a duly signed Mentor Clearance Form for the issuance of their Admit Cards. Before signing the clearance form, mentors will review and verify the students' updated profiles on the Hansraj Information Portal. Students are therefore advised to ensure that their profiles are complete, accurate, and updated with all relevant information and supporting documents. Students are encouraged to make constructive use of the Mentor-Mentee Programme and seek guidance from their mentors throughout the academic session.

Dr. Meghna Malhotra
(Convenor, Mentor Mentee Program)
