ABOUT PMMMNMTT

The Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching emphasizes the need to change the role and working of a teacher from mere disseminator of information and knowledge to the one who advances frontiers of existing knowledge by actively developing and creating new insights into diverse social and physical phenomena.

ABOUT HANSRAJ COLLEGE

Hansraj college is one of the largest constituent colleges of the University of Delhi. The college has been ranked as one of the top five colleges for science, arts and commerce several times in the last decade. The faculty and students of the college have contributed immensely in the fields of academics, sports, culture, business and others. Its distinguished alumni have included several eminent authors, academicians, administrators and business magnets. They have credited their years at Hansraj as formative and life-shaping. The College is reputed with completing 73 years of imparting quality higher education. It dearly holds its defining characteristic of being forward-looking and passionate about advances in learning systems to keep the curriculum and methods relevant to the needs of our rising nation.

Founder and Managing Director
Corporate Gurukul
Singapore

Mr. Vikas Gupta
Managing Director
Deloitte
Hyderabad, Telangana

ABOUT THE PROGRAMME

The National Education Policy (NEP) 2020 outlines the vision of India's new education system. The policy aims to transform education from elementary to higher levels in both rural and urban regions, while also promoting employability. It is a comprehensive framework to provide high-quality learning to all to create an equitable and vibrant society which can thrive in a rapidly changing world. It recognizes the need for excellence in knowledge-dissemination, which is essential for a competitive workforce, as well as knowledge-creation to accelerate India's rise in the global innovation pyramid. Besides modernizing the curriculum on the above lines, NEP 2020 envisages raising the youth with the ability to think objectively, cultivate awareness of their roles and responsibilities, and inculcate a deep-seated pride in being Indians. Simultaneously, it wishes to instil responsible commitment to human rights, sustainable development and universal well-being, thereby reflecting a truly global citizen.

This vision resonates with the aspirations of young India and hopes of 1.4 billion populace. A strong execution of the policy is key to firing the country's growth engines. Since academia is a core pillar to support this transformational journey, it is imperative to have academicians come to a common understanding of the policy intent, discuss its details and brainstorm inventive and creative means to make rapid strides. Hansraj College, which is one of country's top-ranking institute, is committed to furthering the goal of NEP 2020. It is hosting the Faculty Development Program "Roadmap for building New India with New Education Policy 2020" from 21st July 2021 to 25th July 2021. The five day program will focus on various themes such as:

- Higher Education with NEP
- Shifting from Content Driven Pedagogy to Conceptual Testing
- Experiential Learning through new age skills/ digital learning as the new normal
- Multi-disciplinarity and Research Orientation of HEIs
- Improving Education to Boost the Economy
