NAAC ACCREDITED 'A++' GRADE COLLEGE

16.02.2026

NOTICE

Centre for Visual Memory and Archiving, Hansraj College has been set up with a vision of preserving institutional history, visually document the college on a real time basis, and preserve rare photographs and records through systematic restoration and digitisation.

With the above objectives in mind, the centre aims to create a permanent digital archive of representative photographs generated during any formal, or informal event, organised within or outside Hansraj College, under the aegis of the college, its departments, and societies. Such events may include, but not be limited to academic/curricular (lectures, presentations, seminars, workshops), extra-curricular (festivals, competitions, cultural programmes), or social (farewell functions of staff, felicitation ceremonies, excursions, field trips)

Towards that end, all organisers of events/programmes (formal or informal) in the college are requested to share 5 (five) photographs of their event in .jpeg format, along with a 100 word note describing the event and the photographs, with the centre after the completion of the event.

The photographs, and descriptive note, may be mailed to cvma@hrc.du.ac.in. Please ensure that the subject line of the email clearly mentions the name of the event, and the organising department/society.

We look forward to your kind support and cooperation in promoting a culture of visuality and preservation of institutional memory in Hansraj College.
