

### Unnat Bharat Abhiyan (HRC) (C-6425)

Unnat Bharat Abhiyan (UBA) is flagship programme of Ministry of Human Resource Development (HRD) that aims to enrich Rural India. It is a proud moment for Hansraj College Family to be a part of this Abhiyaan from current Year 2021. The scheme is inspired by vision of transformational change in rural development processes by leveraging knowledge base and resources of premier Institutions of the country to help build the architecture of Inclusive India. It also aims to create virtuous cycle between society, educational institutes, and the students encouraging each one of us to use best practices to upgrade capabilities of both public and private sectors.

The scheme aims to link higher education institutions with set of villages, so that they can contribute to economic and social betterment of these village communities using their knowledge and skills.

#### Objectives of the scheme are:

1. To engage faculty and students of higher educational institutions in understanding rural realities.
2. Identify and select existing innovative technologies, enable customization of technologies or devise implementation methods for innovative solutions as required by people.
3. To allow higher educational institutions to contribute to devising systems for smooth implementation of various Government Programs.

Under this scheme, faculty and students will carry out studies of living conditions in adopted villages, assess local issues, and needs, workout possibilities of leveraging technological interventions and need to improve processes in implementation of various government schemes, prepare workable action plans for the selected villages.

Several faculty and students across the disciplines can join members of the UBA Cell and are involved in this venture.
