

About Philosophical Counselling

Philosophical Counselling is a form of philosophical practice that attempts to support those who need a philosopher to address their concerns. Philosophical Counselling is a contemporary counselling approach where the worries of the counsellee (client) are addressed via different philosophical tools and methods, enabling clients to cultivate what may be called their inner philosopher.

Students pursuing undergraduate degrees or diploma courses from any college, university, or institute may apply.

COURSE OBJECTIVE

- This course aims to educate and discuss the scope, theoretical and methodological aspects of philosophical counselling.
- Synthesise academic and practical tools that will impart a deeper understanding of philosophical counselling.
- Utilise philosophy to understand social realities and problems
- Better self-acceptance and confidence
- Better management and expression of emotions
- To explicate how the role of philosophy is much beyond academia

ABOUT THE ORGANISERS

HANSRAJ

Hansraj College is one of the largest constituent colleges of the University of Delhi. The college was founded by the D.A.V. College Managing Committee on 26th July, 1948 in the sacred memories of Maharshi Dayanand Saraswati and Mahatma Hansraj. Hansraj College is a premier institution dedicated to teaching and research. It has highly qualified academicians who impart education in Science, Commerce, and Arts at undergraduate and graduate levels to more than 5000 students on its rolls.

PPAI

The Philosophical Practitioner's Association of India is a non-profit organisation which promotes knowledge and dissemination of various philosophical practices in India and internationally. Furthermore, we encourage and apply different philosophical practices such as Philosophical Counselling, Philosophy for/with Children and Philosophy for Teachers.
