

2021-2022

Name of the Department/Society: The Internship Cell

Name of the Event 1: The Internship Fair

Date of the Event: 17-19th April 2022

The Internship Fair is the annual flagship event of the Internship Cell. Owing to the unprecedented crisis of COVID-19 pandemic, the Internship Cell conducted the Annual Internship fair on a virtual platform.

The Internship Fair, 2022 saw a participation of over 45 companies, including some highly acclaimed corporate names such as Unacademy, UpGrad, Chegg, CRY, Decathlon, Josh Talks etc. Internship opportunities ranging across a variety of profiles like Finance, Research, Marketing, Human resources, Content Writing, IT, and many more were offered to the participating students. The event was open for undergraduate students across Pan India colleges. The event saw an overwhelming response of students with around 3000+ registrations from students of Delhi University as well as other prestigious institutions like Mumbai University, Christ University, Bangalore, St. Xavier's, Kolkata, Loyola College, Chennai and many more. It was a 3-day event. The company representatives interacted with the students over the Q&A sessions held. The Q&A sessions saw an overwhelming turnout with an average of 100 students per session. There were over 7800 applications out of which 2000+ students were shortlisted for the further rounds of the selection process. Through the year the Cell managed to spread awareness regarding Internships and also placing opportunities at the students' perusal in an effort to make them ready and sufficient for the corporate world along with increasing its corporate reach.
