Date of the Event: 3rd March, 2023

On 3rd March, 2023, the members of Gender Equality Cell, Hansraj College gathered in a dynamic discussion on “Queer Rights”. The session was organised by two PhD scholars, Dr. Zulu and Dr. Malvika, who headed the event through a series of candid questions on the topics of “Queer Identities”, and “LGBTQIA+ issues in India”.

The members got to express their experiences as members of the queer community, and their thoughts and ideals on an equal world. The session navigated through a series of everyday struggles for gender equality, including the Trans Bill and several other LGBTQIA+ issues in the legal sphere. The session ended fruitfully, with several new contributions and perspectives added to this movement for equality and further helped create an environment of compassion and conscious fervour.
