The Computer Science Society of Hansraj College organised its annual two days fest, Cynosure in the last week of February. The first day i.e. February 27, started with the inauguration event conducted in the New Seminar Room in the graceful presence of Dr. Manoj Agarwal, Dr. Baljeet Kaur and other respected faculty members of the department. The session was concluded with the blessing words by Dr. Manoj Agarwal Sir. The thread of exciting events was on the line next. Proceeding with the first day, the first technical event, Blind Coding started at 10 AM the same day in CS Lab-3. The participants were challenged to write the code for a given problem but with a blindfold on their eyes and winners received cash prizes and more. Further that day, another technical competition was held called Cipher Swap. In this the pair of participants would write just half of their code and the rest of it would be written by the partner. The event was successfully organised at 12 PM in CS Lab-3,4. The winners received cash prizes. Moving on to the final event of the first day, it was Quiz-O-Brainia, a tech quiz for geeks. The game was organised in CS Lab-1 at 2:30 PM the same day and the winners were awarded with cash prizes. This brought it to the end of the first technical day of the fest. The final day was followed by cultural events.
