NAAC ACCREDITED 'A++' GRADE COLLEGE

2022-23

Name of the Department/Society: 180 Degrees Consulting

Name of the Event: Training Bootcamp

Date of the Event: 11 January 2023

Description of the event

This workshop, held on 11 January, was a pivotal event for our society and its members. In a world where research plays an increasingly pivotal role, this workshop was designed to equip the members with indispensable research skills. Over the course of the workshop, participants delved into the core concepts of research, exploring methodologies including qualitative, quantitative, and mixed methods. They gained insight into the intricacies of primary and secondary research techniques, learning to collect and evaluate data effectively.

A crucial component of the workshop was the focus on data analysis. Members were introduced to fundamental data analysis techniques and tools, empowering them to interpret research findings with confidence. The session also emphasized the paramount importance of research ethics, instilling in our members a strong sense of integrity in their academic pursuits.

The workshop was a resounding success, to enhance member's research capabilities. It fostered an environment of interactive learning, with a lively Q&A session that encouraged participants to share their experiences and engage in enlightening discussions. It has been a cornerstone in our efforts to provide meaningful educational opportunities, leaving a lasting impression on our members as they continue their pursuit of knowledge and academic success.
