### NAAC ACCREDITED 'A++' GRADE COLLEGE

Name of the Society: Haritima - The Environmental Awareness Society

Name of the Event: Adopt a plant challenge 4.0

Date of the Event: 27-Mar-23

Convenor of the Department/Society: Dr Justin Mathew

#### Description of the event

The "Adopt a Plant Challenge 4.0" organized by the Environmental Society of Hansraj College, under the project 'A Million More of Haritima,' proved to be a resounding success. Participants embarked on a green journey, committing to nurturing a plant for one and a half months.

The initiative aimed to foster environmental consciousness and instill a sense of responsibility towards nature. Participants, enthusiastic about contributing to a greener planet, embraced the challenge with zeal. Weekly photo submissions showcased the flourishing plants and the dedication of participants in ensuring their well-being.

The project not only promoted sustainable practices but also created a sense of community among the participants. Sharing experiences and tips on plant care became a common thread, fostering a culture of knowledge exchange. The challenge aligned perfectly with the broader mission of 'A Million More of Haritima,' emphasizing the significance of individual actions in collectively achieving a greener future.

As the event concluded, it left behind a legacy of heightened environmental awareness and a network of individuals committed to being stewards of nature. The success of the "Adopt a Plant Challenge" underscores the potential for impactful, grassroots initiatives to drive positive change and inspire a collective effort towards a more sustainable world.
