At the heart of Pixels lies a deep commitment to the art of photography. Numaish, an annual national photography exhibition hosted by Pixels, holds a distinguished place in our society's calendar. Numaish is more than an exhibition; it's a celebration of Pixels Society's commitment to photographic excellence. As the only society in the DU Circuit, to grace the halls of India Habitat Centre, we see this as an opportunity to contribute meaningfully to the artistic fabric of both our society, university, and the world at large. Numaish serves as a canvas for Pixel's photographers to articulate a myriad of narratives. From panoramic landscapes to intense portraits, our exhibition epitomizes the versatility and unique perspectives of our members. This annual showcase is more like a visual testament to our commitment and unwavering dedication to presenting a unique perspective through the lens.
