The Commerce Society, Hansraj College, University of Delhi, organized an online speaker session on 19th November 2025 titled "Understanding Short-Run Economic Fluctuations: The Dynamics of Aggregate Demand and Policy Responses." The session, conducted via Google Meet, witnessed active participation from students and faculty members and aimed to promote conceptual clarity through interactive learning. The seminar focused on strengthening students' understanding of short-run economic fluctuations and aggregate demand by linking theory with real-world economic situations and by clearing doubts to build confidence and analytical ability.

Prof. (Dr.) Devika Agarwal, Professor and Head (Research and Innovation Cell), Department of Management, Poornima University, delivered an insightful lecture on aggregate demand and policy responses, using practical examples and contemporary references to simplify complex macroeconomic concepts.
