NAAC ACCREDITED 'A++' GRADE COLLEGE

Project khairiyat

Name of the Society: Rotaract Club of Hansraj College

Name of the event: Project Khairiyat

Date of the event: 20/11/2022

List of Participants: 13

Overview:-

Organizers: Rotaract Club of Hansraj in collaboration with Drishti-RCBPIT (Host Club)
Objective: To raise awareness for the prevention of mosquito-borne diseases, with a focus on dengue, malaria, and other related illnesses.
Location: GP Block Pitampura

Description:-

The collaborative initiative between the Rotaract Club of Hansraj and Drishti-RCBPIT, named "Khairiyat," was designed to address the urgent need for awareness and preventive measures against mosquito-borne diseases in the GP Block Pitampura community.

Activities and Initiatives:

Hosted informative seminars led by us providing in-depth insights into the symptoms, prevention, and treatment of dengue, malaria, and other mosquito-spread diseases. Conducted interactive workshops within the community to educate residents on practical ways to prevent mosquito breeding and protect themselves from bites.

Collaborated with local artists to create visually compelling murals and installations in key public spaces, conveying key messages on disease prevention and community health. Khairiyat achieved substantial community engagement, with active participation from residents and local authorities. The combination of educational programs, community involvement, and artistic expressions successfully increased awareness and knowledge about mosquito-borne diseases.

Building on the success of Khairiyat, future initiatives will focus on sustaining awareness through regular workshops, continued community engagement, and expanding collaborations with local healthcare providers.

The collaboration between the Rotaract Club of Hansraj and Drishti-RCBPIT in organizing the Khairiyat project proved to be a commendable effort in promoting community health and raising awareness about the prevention of mosquito-borne diseases. The positive impact
