Event Description (About 250 Words)

The Department of Physics and Electronics, Hansraj College, University of Delhi organized a one-day trip to the National Physics Laboratory(NPL) on 4th of October 2023, on the occasion of the open day or foundation day of NPL. The students of 3rd year from the physics and electronics department were the part of the trip. The trip started at 8:40 AM from Hansraj College and reached the venue at 9:30 AM. We were given refreshments at the Vance and allotted a guide at NPL to study a few labs as per the schedule given by NPL. We visited a no. of labs where scientists explained us about ground breaking technologies such as cryogenics, digital circuits, illumination of light, etc. They also answered our doubts. Every lab was quite fascinating and gave us a new taste of knowledge. It was a fun filled trip. At around 12:30 pm we departed from NPL and reached Hansraj College which marked the end of our trip.
