Date of Activity: 15th April, 2026

Convenor of Society: Dr. Apoorva Gupta.

Collaborating Societies: National Service Scheme, Hansraj College

Conveners of Collaborating Societies: Dr. Apoorva Gupta.

Student In-charge of the Event: Mridul

Description of Activity Conducted:

The WDC Speaker Session on Cancer & Thalassemia was held on 15th April, 2026. The session commenced with an address by Madan Chawla of the GIFT (Give It Forward Today) Foundation, a social service organisation working on the 3 Cs: Control, Care, and Cure. He educated the audience on Thalassemia as a hereditary disorder, explained the HPLC test for detecting carriers, and discussed the distinction between Thalassemia Major and Minor, noting that India is referred to as the "Thalassemia Capital of the World." He spoke about control and care measures including awareness campaigns, digital outreach, free health check-ups, blood donation camps, and the benefits of donating blood. A free subsidised HPLC Thalassemia blood test was also conducted on the spot, in which many students enthusiastically participated and gave their blood samples for testing.

The second address, by a representative from the Arjan Via Foundation, focused on stem cell donation as a life-saving measure for blood cancer patients. The speaker explained that stem cells form the bone marrow and that donor matching is based on HLA compatibility, with a

match probability of just 1 in a million. The donation process is as follows - Preparation, Apheresis, and Donation, with only 25% of donors experiencing mild side-effects such as temporary headache or body ache. A free stem cell matching test was also conducted, with many students coming forward to register and contribute. The session concluded with an address by Dr. Tajinder Singh, accompanied by a documentary drama produced by Akshay Chobas & Memorial Foundation, reinforcing the importance of awareness and community action.
