

2019-20

Name of the Department/Society: **Chemical Society (Rasayanatva)**

Name of the Event 1: SIGNIFICANCE OF FORENSIC CHEMISTRY BY PROFESSOR G.S. SODHI

Date of the Event: 20.8.2019

The society organized a guest lecture on ‘SIGNIFICANCE OF FORENSIC CHEMISTRY’ on 20 August, 2019 by Dr. G.S. Sodhi, Associate Professor in the Department of Chemistry, SGTB Khalsa College, Delhi University. The exalting demonstration of the application of chemistry in crime investigation intrigued every student. He apprised his innovations and research projects performed by him and his team of hard working students over the years. The lecture was informative, enthralling and surely convinced students to take over the course in the future and work under his guidance.
