NAAC ACCREDITED 'A++' GRADE COLLEGE

Description of the Event

The Hansraj College SPIC MACAY Heritage Club organized a **Guided Heritage Walk** at the Hauz Khas Complex on 22nd February 2025. The walk was conducted by **Dr. Ramji Narayanan**, a renowned historian and guide, who provided in-depth insights into the historical and architectural significance of the site.

- **Architectural Insights:** Dr. Narayanan explained the unique **arch-shaped structures** that played a crucial role in holding the massive ancient buildings together. The blend of Islamic and Indian architectural styles was a major point of discussion.
- **Historical & Cultural Significance:** The group explored the remains of **Feroz Shah's Madrasa, the mosque, and the royal tank (Hauz Khas)**, learning about their significance during the Delhi Sultanate period. The discussion also covered the **role of Hauz Khas as a center of learning and spirituality**.
- **Scientific Aspects of Worship & Construction:** Dr. Narayanan shared insights into **scientific principles used in ancient construction**, including ventilation, water conservation, and acoustics in religious structures. He also touched upon the **philosophical and cultural aspects of worship** in medieval times.

This **Guided Heritage Walk** was an initiative under **SPIC MACAY's mission** to connect youth with India's rich cultural and historical heritage.

Through this walk, participants experienced firsthand the architectural grandeur and historical depth of the **Hauz Khas Complex**.

The event successfully aligned with **SPIC MACAY's objective of promoting heritage awareness** and fostering appreciation for our past.

With such immersive experiences, **SPIC MACAY** continues to inspire students to explore, learn, and cherish India's cultural roots.

This walk was not just a tour but a step toward preserving and understanding our history in a more meaningful way.

Around **15 students from different academic backgrounds** joined the walk, making it a multidisciplinary learning experience.

The interactive session encouraged participants to ask questions about **the site's historical evolution, restoration efforts, and its relevance in modern times**.
