

2019 - 20

Name of the Department/Society: Finance Investment Cell

Name of the Event 1: Empresa 2020

Date of the Event: 2/29/2020

The Finance and Investment Cell, Hansraj College organised its sixth edition of Empresa on 29th February 2020. It was a jam-packed journey offering enthralling opportunities full of vitality, dexterity and intellect. A triad of dynamic events, it challenged the participants to manage their time and emerge victorious in this battle of wits. The annual flagship event showcased 'Magnum Corpus' which comprised of three beguiling and action-packed levels to get the participants pumped. Set of events that would give you an adrenaline rush, it took the participants on a ride of their life to triumph over all odds and attain the title of the undefeated. The enthralling event saw the participation of over 900 people all over India. With nothing to lose it offered prizes worth 1,50,000 including 30k in cash.

A brief description of events:-

Level 1: Caribbean Corsair - Quest for the heist. It challenged the participants to channel their inner voyagers and set out on an expedition to become the master of the riches. The voyage was filled with an exciting journey to a mysterious island and required them to use their knowledge and wit to outrun others.

Level 2: Lazaretto Liberation - Chaos on the streets. It required the participants to put their thinking caps on and half-masked respirators handy to win the battle against the epidemic which was devouring the life on earth. The epidemic has rendered people helpless and someone had to initiate the much-needed end to this fight. With limited resources at the participant's dispersal and an unrelenting dilemma to augment, only the frugal minds endured.

Level 3: Seher-e-Bazaar - Saudo ka Shehenshaah. It required the participants to showcase their investing prowess because it was not any other run-of-the-mill investment game. It is a novel concept far beyond any customary virtual investment avenue game. It challenged the participants to test their portfolio and asset management skills to emerge victorious. They had to choose between a wide variety of assets ranging from bullion, mutual funds and real estate investments to create a portfolio which gave them the ultimate title of the stalwart of the street.
