

HANSRAJ COLLEGE

ANNUAL PLACEMENT REPORT

2017-18

We are profoundly delighted to hereby declare a successful completion of the Placement Session 2017-18.

We are honoured to have had numerous distinguished and eminent organizations from the corporate world on board with us and pave the way for a stellar Placement Season. The cell witnessed a substantial surge in the number of recruiters and the offers rolled out. We are glad to have moderated opportunities where students received 16 offers from Tier 1 firms, 20 offers from Tier 2 firms and more than 100 offers from Tier 3 firms in Placement Season 2017-18.

Our other initiatives like Training and Workshop activities for the comprehensive development of students assisted them in building their skills and gaining early insights about the working of corporate world.

The Placement Cell, Hansraj College takes this opportunity to extend its deepest gratitude to the conveners of the cell who have imparted guidance and knowledge at every step while ensuring smooth, hassle-free recruitment drives.

The remarkable success of the season is a testament to the quality, skill set and diligence of the student pool of Hansraj College.

We hope with the onset of the new Placement Season, the cell continues to strive hard and reach unfathomable heights of success!
