

IFSA Hansraj

About the Society

The IFSA Network is the world's largest finance student-run organization connecting the planet's most prestigious universities and finance actors worldwide. The Global Case Competition at Harvard (GCCH), one of the most prestigious case competitions in the world, is the international flagship event of IFSA Network. IFSA Network Hansraj College consists of some of talented and hardworking students of the college with great experience in the space of Business, Finance and Strategy Competitions in association with various organizations like KPMG, Flipkart, World Bank, Centre for Policy Research etc.
