UDAAN – The Motivational Society of Hansraj College, University of Delhi organized its event AVIRALYA'26 at the Library Auditorium, Themed around "HOW PERSISTENCE SHAPES SUCCESS", the event aimed to inspire students through the journey of Mr. Ashish Kumar.

The event commenced with a **warm welcome and an introduction** of our distinguished guest, highlighting his journey and contributions to the society. To honor his presence and invaluable wisdom, **a felicitation ceremony** was held, Mr. Ashish Kumar was presented with a token of appreciation.

Mr. Ashish Kumar, M.A. (Public Administration), a seasoned mentor with over **15 years of experience in guiding civil services aspirants** across leading institutions. The session was conducted on the topic "How Persistence Shapes Success" and focused on the role of **continuous effort, resilience, and commitment in achieving long-term goals.**

He began the session by establishing a strong connection with the audience, **highlighting the high IQ and immense potential of Gen Z** and emphasizing how this intellectual capability can do wonders for society when aligned with a clear purpose. He referred to renowned personalities such as psychologist **James Flynn and Austrian - Jew psychiatrist Viktor Frankl** to explain the importance of discovering meaning in life, and elaborated on the concept of **Logotherapy**, stating that **every individual possesses talent but needs a defined purpose to truly succeed.**

He advised students to be clear about their goals and not waste the golden phase of their lives, while also addressing **the misleading portrayal of a lavish lifestyle on social media**. The speaker stressed the importance of building a stable career rather than being influenced by temporary online perceptions. To illustrate the power of persistence, he shared the inspiring story of **Wilma Rudolph**, an American athlete born in 1940 into a marginalized family of 22 siblings, who suffered from polio at the age of five and had her left leg paralyzed, yet went on to become the first American woman to **win three gold medals in sprint events at a single Olympic Games** and set world records. He also drew parallels with the journey of **Indian athlete Deepa Malik**, in spite of facing a life threatening spinal tumor diagnosis at the age of 29, she won a **silver medal** at the Paralympics, becoming the **first Indian woman to win a medal in the Paralympic Games** reinforcing that determination can overcome any obstacle.

The session concluded with Mr. Ashish Kumar leaving the audience with two strong messages — to find a true purpose in life and to always set their aims higher, while reminding students that although goals may change, clarity and persistence are what ultimately lead to success. As the event drew to a close, **the Vice President delivered a heartfelt vote of thanks**, expressing gratitude for the insightful session and the valuable guidance shared with the students.
