NAAC ACCREDITED 'A++' GRADE COLLEGE

Name of the Event: Alumni Connect
Organized by: Ordinateur, The Computer Science Society of Hansraj College
Date of the Event: 16 February 2025
Duration/Event Timing: 4:00 PM – 5:00 PM
Event Platform: Google Meet
Event Coordinators: Mr. Suyash Kumar, Dr. Vidhi Khanduja
Student Coordinators: Netresh Singh, Harshit Rawat
Society Convener: Mr. Suyash Kumar

EVENT OVERVIEW

The online alumni meet was an enriching session featuring esteemed guests from the Computer Science batch of 2018–2021. Ms. Khushboo, currently a Quality and Assurance Engineer at De Shaw, Ms. Priyanka, a Full Stack Developer at YMSLI, and Ms. Jyoti Srivastava, a Data Engineer at Fractal Analytics, shared their valuable career experiences and industry insights. They provided guidance on career paths, job opportunities, and skill development, while also addressing queries from students. Their expert advice helped attendees gain clarity on various career prospects, making the session both informative and inspiring. Despite being held virtually, the meet successfully connected alumni and students, fostering a strong and supportive professional network.

The alumni meet began with a warm welcome from Suyash Sir, who greeted the alumni and audience. The session commenced with Ms. Khushboo sharing her experiences at De Shaw, along with memorable insights from her college days. Following her, Priyanka, who secured an on-campus placement, expressed gratitude to the college placement cell for their support. Lastly, Jyoti Srivastava shared her journey as a Data Engineer at Fractal Analytics and insights of her college days.

NAAC ACCREDITED 'A++' GRADE COLLEGE

The session proceeded with an interactive Q&A segment, where students asked insightful questions about career opportunities and industry trends.
Some of the key questions were about:

- **The relevance of a B.Sc. (Hons.) Computer Science degree in the current job market.** Ms. Priyanka clarified that the four-year program is now equivalent to a B. Tech degree, ensuring graduates remain competitive in the industry. Her response reassured students about the value and recognition of their degree in the professional world.

- **The most important skills to learn in the current job market.** Ms. Jyoti responded by emphasizing that skill requirements vary based on the field of interest. She further advised students to identify their area of interest and focus on acquiring relevant skills accordingly.

- **Whether grades matter in placements.** Ms. Jyoti advised students to maintain at least an 8 CGPA for better on-campus placement opportunities, as grades play a significant role. However, she emphasized that in the long run, skills and practical knowledge matter more than grades.

- **The key requirements for securing an off-campus placement.** Ms. Khushboo advised students to apply directly via company websites and use LinkedIn for networking, job opportunities, and internships. She emphasized the need for a well-structured resume and highlighted how a minor degree can enhance a candidate's competitiveness in the job market.

- **How to effectively plan the skill development to be job-ready.** The alumni advised students to have a strong grasp of their curriculum, have a basic grasp of DSA, and gain proficiency in

a programming language and databases. They stressed the importance of projects for practical experience and problem-solving skills while highlighting the need to focus on logical reasoning and quantitative aptitude, essential for placement exams.

- **Whether involvement in various societies and society work in the college helps in job placements**. Ms. Khushboo stated that while such activities may not directly secure a job, they can be valuable if they showcase essential skills. Demonstrating leadership, teamwork, and organizational abilities through society work can help candidates stand out in interviews and enhance their resumes.

Towards the end, the alumni candidly shared their mistakes and lessons, emphasizing the importance of starting early, working on projects, earning certifications, joining hackathons, and gaining industry-specific skills. They also stressed the value of internships for practical experience.

The session concluded with Suyash Sir thanking the alumni and students for their participation. He appreciated the alumni's insights and congratulated them on their achievements. A light hearted reminiscing of college days followed, ending on a positive note with plans for more alumni interactions in the future.
