

2018 - 2019

Name of the Department/Society: Ordinateur

Name of the Event 1 (Cultural): Poster Making on Cyber Security

Date of the Event: 5th October, 2018

A poster making competition was organized by Ordinateur, Computer Science Society of Hansraj College on 5th October, 2018. The motive of the event was to test the creative skills and make students aware about the Cyber Security. Cyber Security is a trendy issue and a matter that needs utmost attention. As youth, the students must realize how dangerous it can be to compromise their digital security. More than 20 people participated in the competition and performed really well.
