Date of the Event: 13 April 2023

Convenor of the Department/Society: Dr. Mayurakshi Kumar

The History Society, Hansraj college visited the ongoing exhibition ' Women In India: From 1857 to Republic' at the National Archives of India on 13th April 2023. The Archive exhibition presents to us the role and significance of women in India's anti-colonial nationalist movement. Women moved out of the restricted spaces of the household and actively participated in protests, agitations and other revolutionary activities. The Archives exhibited some of the historical documents such as private papers, letters, diaries and books related to the theme. Students were also presented with a live demo of document preservation and an insightful talk about the functioning and significance of the Archives which ended with an intriguing question and answer session.
