Event Description:

On 23rd September 2024, the placement cell of Hansraj College successfully organized a recruitment drive with Genpact, a leading firm in the global professional services industry. The event took place in the Library, 3rd Block, and attracted the participation of 40 candidates vying for two key roles: Accounts Payable and Order to Cash.

The recruitment process was conducted in two stages. Initially, candidates participated in Group Discussions (GDs), where they were divided into small groups and engaged in discussions on industry-relevant topics. This phase assessed their communication skills, analytical thinking, and teamwork, serving as a preliminary screening to shortlist candidates for the next round.

Shortlisted candidates then advanced to the interview round, which consisted of both technical and HR-based questions. During this stage, the interview panel evaluated candidates' knowledge of finance, problem-solving skills, and their cultural fit for the roles at Genpact.

The entire process proceeded smoothly, with commendable professionalism displayed by both Genpact's recruitment team and the participating candidates. The placement cell expresses its sincere

gratitude to Genpact for providing this opportunity and looks forward to further collaborations in the future.
