NAAC ACCREDITED 'A++' GRADE COLLEGE

National Service Scheme (NSS)

2025-2026

Name of the Event: Green Walls- Shifting the Perspectives! (Plantation Drive)

Name of the Society: National Service Scheme Unit, Hansraj College

Date of the Event: June 05, 2025

Duration/ Event Timing: 1 hour/ 12.00 to 1.00PM

Venue of the Event: Near Butterfly Conservatory, Hansraj College

Collaborating Societies: Garden Committee, Institution's Innovation Council, Haritima and Smiling Tree

Conveners of Collaborating Societies: Dr. Shailu Singh (GC), Dr. Ambika (IIC) and Dr. Anita Thakur (Haritima)

Student Coordinators: Harshita Goyal and Naveen Kumar Patel

Program Officer: Dr. Apoorva Gupta

Description of the Event (250 words):

- On June 5, 2025, on the occasion of World Environment Day, Haritima, NSS, Garden Committee, and Institution's Innovation Council, Hansraj College, in association with Smiling Tree, organized Green Walls: Shifting the Perspective — a vertical plantation drive on the walls near the Butterfly Conservatory at Hansraj College, University of Delhi. The event was graced by the presence of the esteemed Principal of Hansraj College, Prof. Dr. Rama, Prof. Dr. G.K. Sharma, and senior alumnus (1986 batch pass-out) Dr. K. Vijay.
- Volunteers gathered at 11:30 a.m. near the Butterfly Conservatory, collected vertical planters, and proceeded to the college nursery to gather saplings. Around 150+ planters were prepared, and the team returned to the designated plantation walls. The main activity commenced at 12:00 p.m. with the formal initiation of plantation by Prof. Dr. Rama, Prof. Dr. G.K. Sharma, and Dr. K. Vijay, followed by the conveners of respective societies, faculty members, and finally the volunteers. After the plantation, Prof. Rama emphasized the importance of greenery and encouraged everyone to plant more and contribute to making Mother Earth green. Dr. K. Vijay shared a touching real-life story about a mango tree, illustrating the deep respect plants deserve even after their life ends.
- The faculty played a key role in the efficient arrangement of plant species such as asparagus and rhoeo, ensuring they coexisted without harming each other. The support of the college's non-teaching staff was also appreciable. The collective cooperation of all involved made the event a huge success.

NAAC ACCREDITED 'A++' GRADE COLLEGE

- In conclusion, the vertical plantation drive proved to be an effective, efficient, and decorative initiative that educated and engaged participants in environmental conservation. It stood as a significant step towards nature conservation in urban spaces and reflected the shared commitment of the Hansraj College community to sustainability.
