TIPS AND TRICKS FOR MOCKSTOCK

If a company mentioned in the portfolio does not make the headlines, its subsidiary or competitor definitely will.

An ambiguous news has minimal effect on share price.

Adhere to the rules provided or don't wait for the results, you're disqualified!

The Fundamental rule:
Positive news: Buy
Negative news: Sell/Short Sell

The most fundamental constraint is limited time.

Confused about which stock to invest in? Diversify your portfolio by investing in multiple companies.
