Event Description:

We are pleased to report that United Airlines officially launched their prestigious case competition, SkyQuest'24, at our campus. This competition serves as a preliminary round in their official recruitment process. It offers students a unique opportunity to demonstrate their skills and innovative thinking to one of the world's leading airlines.

The event saw an enthusiastic participation from over 100 students, reflecting the high interest in the competition. The visiting team from United Airlines provided valuable insights into the company's work culture, emphasizing the global and diverse environment that fosters creativity and growth. They shared detailed information about the structure of the India office, known as the India Knowledge Centre, which plays a pivotal role in United Airlines' operations, especially in areas like data analytics, IT, finance, and customer experience.

During the session, the team also highlighted the opportunities for career growth and the comprehensive recruitment process that includes rounds focused on problem-solving, team collaboration, and leadership. The students were highly engaged and eager to participate in the competition, which is expected to bring out the best minds and future leaders in the aviation industry.

We look forward to seeing many of our students excel in SkyQuest'24 and advance in their journey with United Airlines.
