A ‘Seven Days Sanskrit Speaking Workshop For Blind Students’ was organised by our department with the collaboration of Abhyuday Group, Delhi from 24/10/2018 to 31/10/2018, at the Conference Room of the college. The language instructor was Mr. Vibhakar. The main objective of this seminar was to make the Blind Sanskrit students able to speak Sanskrit fluently which is an essential part of our curriculum. This event focused on blind students specially because they were not able to learn by traditional workshops. A new technique was used by the instructor to teach such students. Blind Sanskrit students from different colleges participated in this workshop. In the final days of this workshop Professor Bhartendu was invited as guest speaker to share life experience as he is also not able to see. There were 54 attendees including faculty members of the department and normal students to support blind students enthusiastically participating in that event.
