Knock-outs which were held on the 30th had lively participation of over 60 students. The participants included people from different departments and societies who formed more than 20 teams. 10 of these teams qualified for the semi-finals which were held on the 31st, followed by the finals. The council members along with each and every Hansarian were super excited about the event and amazing prizes were up for grabs.

The event turned out to be a huge success with immense participation and cheering all around the basketball court, with our principal Dr. Rama also being there during the finals to congratulate the winners and award them with the much-deserved prizes.
