The Department of Commerce and The Commerce Society of Hansraj College successfully hosted an insightful panel discussion on “*Breaking Down Budget 2025: What’s in Store for India’s Growth*”, featuring distinguished experts. The session aimed to provide students with a deeper understanding of the Union Budget 2025.

The discussion began with CA Pankaj Goel, who provided an overview of the session, emphasizing the significance of this year’s budget and its alignment with the Sustainable Development Goals (SDGs), net-zero commitments, and Viksit Bharat 2047.

CA Gaurav Grav then analyzed Direct Taxes, explaining the differences between the old and new tax regimes. He noted a shift towards the new tax regime and discussed benefits for gig workers and HRA claims. Following this, CA Anmol Gupta broke down GST, explaining its fundamentals, implications, and how GST reforms have led to a decrease in state revenues.

Mr. Ashish Wig then discussed income growth, infrastructure, and labour concerns, calling the budget industry-friendly while acknowledging the government’s increased focus on labour welfare.

The event concluded with a vote of thanks by Dr. R.C. Garg, expressing gratitude to the speakers and attendees. The discussion enriched students’ understanding of India’s economic trajectory and policy impact.
