

Josh Talks

The Finance and Investment Cell, Hansraj College collaborated with 'Josh Talks' during the lockdown period. The members of the cell assisted in providing extensive modules on the topic - 'Basics of Banking. These modules covered the following topics:

- Meaning of banks
- Objective of banks
- Various types of banks existing in the economy
- Different types of accounts
- How to go about opening a bank account
- Net banking
- NEFT
- RTGS
- Smart cards
- Digital wallets and UPI
- KYC
- Precautions to be taken

These modules were extensively curated and were further used as teaching videos to educate the mass in general.
