Date of the Event: 12th October 2021

Our creative team organised the mandala workshop for the interested CREATIVE WING volunteers to showcase their art of mandala via expressing their significance on mandala in the form of arts and literature. It was an interactive session with volunteers participating actively and making mandalas simultaneously. The session was successful with volunteers completing their own beautiful mandalas. It was a good learning experience for the volunteers and also a unique session wherein they actively participated alongside and brought out fruitful results.
