

2018 - 2019

Name of the Department/Society: Rotaract Club

Name of the Event 1: Project PEHEL

Date of the Event: 1 April 2019

Every face tells a story, behind every set of eyes be it happy be it sad- be it relaxed or stressed- they have a story to tell. Therefore here it is The Rotaract Club of Hansraj College with its Project Pehel. An initiative to bring to you extraordinary stories about ordinary faces. This project helped us to understand various situations people are facing in their lives.
