Introduction: Today, the Social Innovation (SI) department embarked on a heartwarming drive to East Ajad Nagar Old Age Home. While our SI team has been involved in numerous drives, this particular experience left an indelible mark on our hearts and will hold a special place in our memories. This report recounts our visit, the emotions we encountered, and the profound insights gained during our time at the old age home.

**Session Highlights:**

**Warm Reception:** Upon our arrival, we were greeted with warm smiles and open arms by the residents of the old age home. The genuine happiness they expressed to meet us was heartwarming and instantly created a strong connection between us.

**Emotional Farewell:** As we departed, the emotional farewell from the residents was overwhelming. Their tears and heartfelt goodbyes left an indescribable impact on all of us. It was a reminder of the significance of simple acts of kindness and companionship.

**Understanding Their Stories:** During our visit, we had the opportunity to converse with the staff members of the old age home, who shared the life stories of the residents. These stories shed light on the harsh realities that many of them had faced in society, leading them to this place of care and support.
