

2019-20

Name of the Department/Society: **Chemical Society (Rasayanatva)**

Name of the Event 4: National Seminar on Environment and Sustainability in the Third World

Date of the Event: 28.2.2020

Rasayanatva, The Chemical Society of Hansraj College organised numerous events during the year 2019-20. The most awaited event of the society i.e., 'National Seminar on Environment and Sustainability in the Third World' was organized on February 28, 2020. With the seminar, Department celebrated National Science Day in a grand manner. The seminar was organised with the objective to build up and disseminate greater knowledge about man-made climate change, and to lay the foundations for the measures that are needed to counteract such change. It incorporated lectures from renowned speakers and a workshop on Climate Change and Smart Agriculture. Professor R.K. Sharma who is known as Green Chemist all over the nation and globe was invited to deliver a talk at the seminar. Along with him Shri D. Raghunandan, Director at Centre for Technology and Development, Dr. Livleen K Kahlon, Associate Director of Environment Education and Awareness at TERI, Professor Krishan Kumar from JNU were also invited. Professor C.R. Babu, CEMDE, Dept. of Environmental
