

2020-2021

Name of the Department/Society: Ordinateur

Name of the Event 1: Alumni Talk 1

Date of the Event: 27/09/2020

Alumni Meet of Ordinateur, the Computer Science Society, was concluded, on the eve of 27 September 2020. A successfully organized session in which past alumni of the CS department of Hansraj College graced their juniors with their presence and their words of wisdom and experience. The session started off with a brief introduction of the five alumni, Ronak Agarwal, Avishi Goyal, Swati Bajpai, Anmol Goel, and Shruti Katyal. The alumni took forward the session with their specially prepared presentation on possible future career options and opportunities just for the benefit of their juniors. Several alumni shared their own experiences with college and career choices, interspersed with patiently satisfying the curious wonderings of their juniors. The session was concluded by the parting words from our convener, Dr. Baljeet Kaur.
