NAAC ACCREDITED 'A++' GRADE COLLEGE

A specialized lecture was organized in the New seminar room, Hansraj College on 20.01.23. The event initiated with the greeting of a Plant sapling to the Respected speaker Dr. Satish Chand by the convenor of the Chemical Society Dr. Anjali Saxena.

This was followed with a speech by Dr. Anjali, briefly introducing the speaker Dr. Satish Chand.

The seminar proceeded with Dr. Satish's speech. Under the topic Chemical Hazards, several incidents such as the Bhopal Gas tragedy (Leakage of methyl isocyanate gas causing deaths in thousands), Incident of Mumbai Oil leakage tragedy and many more. Topics like Impact of Chemical Disasters, types of Chemical Hazards, and precautions while using Na extract preparation were discussed. Besides this, various modes of entry of Chemicals (via eyes, nose, mouth, skin and injection), toxicity of a chemical, acute and chronic toxic chemicals, effects of mercury exposure (Minamata disease) and Chemical Hazard Symbols were introduced to the student audience. By using examples from real-world situations, the various safety measures one should be aware of when working in a lab were clearly highlighted. The speech ended with the phrase "A need to promote awareness."

This was followed with a formal vote of thanks and gratitude by the Respected convenor Dr. Sunita Gulia to the speaker and student council for attending the event sincerely. With this the event concluded successfully with a huge round of applause.
