## **Description of the event:**

Mother's Day is a special occasion to honour and appreciate the incredible love and sacrifices that mothers make for their children. To celebrate this day with meaning and compassion, the Women Development Cell (WDC) of Hansraj College organized a heartwarming event to spend a day filled with gratitude for the mothers. On this beautiful day, members of the WDC came together to visit the residents of St. Mary's Old Age Home, spreading love and joy through various activities, with cake cutting as the key highlight of the celebration. Emotions ran deep as the members of the WDC engaged in heart-to-heart conversations with the elderly mothers. Listening to their life stories, the challenges they had faced, and the wisdom they had acquired over the years, the members couldn't help but feel a profound sense of respect and admiration. Throughout the event, there were moments of both tears and laughter. The members shared stories, poems, and memories with the elderly mothers, invoking laughter and nostalgia. At the same time, the stories of resilience and strength brought tears to many eyes. The mothers shared their life experiences and imparted invaluable wisdom to the students. The wisdom they offered served as a reminder of the importance of family, love, and resilience in life. The Mother's Day celebration at St. Mary's Old Age Home by the Women Development Cell of Hansraj College was a heartfelt and memorable event that touched the lives of both the residents and the members of the cell. It reinforced the importance of showing love and compassion to the mothers and gave the students a valuable opportunity to learn from the wisdom and experiences of their senior counterparts. This event not only celebrated Mother's Day but also exemplified the spirit of community, kindness, and humanity that should be at the heart of every celebration. The event served as a reminder that the true essence of Mother's Day lies in the emotions we evoke, the connections we make, and the love we share. It was a day that affirmed the importance of empathy, compassion, and the profound emotional bonds that connect generations.
