Description:

Udaan – The Motivational Society of Hansraj College, in collaboration with StudyIQ, organized an educational test series-Amogh by StudyIQ that explores various competitive exams. The first session of this series was dedicated to UPSC General Studies (GS), aiming to guide and motivate students aspiring for the civil services. With 65 enthusiastic participants, the event was meticulously planned and executed. The session commenced with instructions from the organizing heads, Lavisha and Adarsh, who emphasized maintaining discipline by prohibiting electronic devices and arranging seating with two students per bench. After attendance was recorded, question sheets were distributed. The atmosphere before the test reflected a mix of emotions—while some students appeared anxious, others remained calm and composed. The test, consisting of 50 questions with a duration of one hour, witnessed great enthusiasm from the participants. Their dedication was evident as they meticulously worked on their sheets, frequently checking the time to ensure completion. UDAAN volunteers ensured that the test was conducted with utmost decorum and fairness. Sanya captured the event through photographs. The students attended a Study IQ seminar, featuring a doubt-clearing session led by mentors Rupam Ma'am and Puneet Sir. The mentors addressed common queries, such as when to start preparing for UPSC, the various posts available, and differences between SSC, NDA, and UPSC exam patterns. Puneet Sir highlighted the importance of bureaucracy in India by quoting Sardar Patel: "Bureaucracy is the steel frame of India." The session was engaging and inspiring, enriched by the mentors' personal anecdotes. Topics such

as selecting optional subjects and references to the motivational movie 12th Fail were discussed, encouraging students to persevere in

their preparation journey. The interactive format and real-life stories made the session both informative and relatable. After the doubt-clearing session, students were directed to scan a QR code to access a feedback form, which allowed them to retrieve their scores, ranks, and detailed explanations of the test questions. This innovative approach ensured transparency and provided participants with a clear understanding of their performance.

The event concluded with the announcement of winners. Ravi Chandra Jha secured the first position, receiving a cash prize of ₹2000 and a massive discount of ₹1,35,000 on the General Studies course worth ₹1,50,000 from StudyIQ IAS. Ardhami Mishra, the second-place winner, was awarded ₹1000 in cash along with a ₹1,05,000 discount on the same course. Parag Goyal, who came third, received ₹500 in cash and a ₹75,000 discount. These prizes not only recognized the winners' efforts but also provided them with access to premier UPSC preparation resources at a significantly reduced cost, helping them take their preparation to the next. Overall, the seminar was a resounding success, leaving a lasting impact on both participants and organizers. By blending rigorous academic engagement with inspiring mentorship and offering valuable scholarships and discounts, the event reinforced the importance of dedication, preparation, and a resilient mindset in achieving success in competitive exams.
