TiE Global is a nonprofit organization devoted to entrepreneurs in all industries, at all stages, from incubation, throughout the entrepreneurial lifecycle. With a global reach and a local focus, the heart of TiE efforts lies in its five foundational programs, – Mentoring, Networking, Education, Funding, and Incubation.

Entrepreneurial Cell has attended events like TiE Global Summit and Startup-Expo which helped us unleash a wave of positive optimism and gain hands on experience about entrepreneurial community and real startup models.

In this three-day event, the volunteers from The Entrepreneurial Cell, Hansraj College, contributed to various activities happening at the Taj Delhi. The experience was filled with lots of learning and fun. The students met entrepreneurs from all walks of life and all parts of the nation. They attended fireside chats and mentorship sessions by the TiE Delhi NCR Board committee.
