Enactus Hansraj conducted a plogging drive in collaboration with PloggaIndia and Yes Fam Delhi. We jogged from Hansraj college to the ridge garden while picking up the litter on the road. We segregated the plastic waste into three categories- multi-layered, single-use and recyclable. At the end, we had 5 big bags filled with garbage and which we dropped off at a recycling unit. The drive fulfilled the purpose of making our surrounding cleaner and at the same increasing the awareness on waste management.
